Abstract: The Department of Education (Department) is requesting an extension of the current Cancer Treatment Deferment Form information collection, OMB Control Number 1845-0154. This collection is used to obtain information from federal student loan borrowers to determine eligibility for a deferment of repayment of their federal student loan while receiving cancer treatment and for the 6-month period after such treatment. Section 309 of the Consolidated Appropriations Act, 2019, (Pub. L. No. 115-245) included a provision for the Department to implement this circumstance as a basis for deferment. Due to the effects of the COVID-19 pandemic and the suspension of the collection of loans, the Department lacks sufficient data to allow for updates to the usage of these forms.
